Course syllabus

First six months

The first six months of the course is set out to give you the basic skills that you need to practice safely and with confidence as a Crystal Healer. Learning theory and practice together, the course is set out to a high standard. You can gain a basic practitioner qualification after three months but to obtain your diploma at the end of the first six months, the following must be completed.

- Written assignments, these will be given out at the end of each weekend. And will go to make up your portfolio.
- A practical assessment.
Four case studies of at least 3 healings each; two of which must be written up.

Subjects covered

- Chakra system
- Subtle bodies
- Etheric repair
